

## Group 6: Coursework 1 – Interface Designs

The login screen features a dark gray background. At the top, a black silhouette of a mountain range is centered. Below the mountains, the word "SCHOBBER" is displayed in a large, bold, black sans-serif font. Underneath the company name are two horizontal input fields: the first is labeled "username" and the second is labeled "password". Both fields have a thin black border and rounded ends. Below these fields is a white button with the word "Login" in black text, also with rounded corners.

The screen is divided into two main sections. On the left is a vertical sidebar with a list of links: "Employee", "Product", "Store", "Supplier", "Graphs", and "Table edit". The "Employee" link is highlighted with a small blue dot. The main area on the right is titled "Employee Details" and contains two sections of form fields. The "Employee Details" section includes fields for Name, Last name, Email, Phone nr., Address line 1, Address line 2, Post code, Region (a dropdown menu), and Country (a dropdown menu). Below this is the "Job Details" section, which includes fields for Position (a dropdown menu), Salary, Hours, and Branch (a dropdown menu). At the bottom left of the sidebar is a "Log out" button, and at the bottom right of the main area is a "Submit" button.
